AUSTIN, TX—Concordia High School is proud to announce the grand opening of its Cardinal Athletic Training Center (CATC). With 25,000 square feet of indoor training space, the CATC features practice courts for volleyball and basketball, softball and baseball batting cages, and 70 yards of field turf for multisport training.

CATC space is available for rental to interested parties including schools, student organizations, private and club teams, and other sports groups. [Submit reservation requests and inquiries here](#) to reserve courts, batting cages, or field turf space.

Additionally, the CATC has partnered with [Austin Pole Vault and Throws](#), an indoor sports facility training world-class athletes in pole vaulting and track and field disciplines since first opening in 2018. Austin Pole Vault and Throws offers group and private lessons open to the public. Register for beginner, masters, or middle and high school classes at austinpolevault.com.

Both facilities are hosted by [Concordia High School](#) (CHS), a private accredited college preparatory school serving the greater Austin area. To schedule a tour, visit chsaustin.com.
